

# Interrogating the Right to Explanation for Pre- Emptive Machine Learning Algorithms

---

Smarika Kumar  
Ph.D. Candidate, 1 Year  
European Law School  
Humboldt Universität zu Berlin

How?: Comparison, Correlation and Correction for Decision making

Through Pre-Emptive Machine Learning Algorithms

Minimising chances of specific future scenarios

Control of Temporal Uncertainty

Control Mechanism rooted in Risk Regulation

Right to Explanation? (GDPR)

Through Legal Rights

Control Mechanism rooted in Social Norms

How?: Search for Causal Agent for Rights Violation

Production of Causal Explanation

Rights-based explanations
